BUILDING OWNER: \_\_\_\_\_  
LOCATION: \_\_\_\_\_  
TAX MAP KEY: - - - -

Per Hawai'i Revised Statutes § 6E-10 relating to historic preservation, no construction, alteration, disposition, or improvement that affects a historic property on the Hawai'i register of historic places shall occur until after the State of Hawai'i Department of Land and Natural Resources State Historic Preservation Division (DLNR-SHPD) has concurred with the proposed construction, alteration, disposition, or improvement:

- (a) *Before any construction, alteration, disposition or improvement of any nature, by, for, or permitted by a private landowner may be commenced which will affect an historic property on the Hawaii register of historic places, the landowner shall notify the department of the construction, alteration, disposition, or improvement of any nature and allow the department opportunity for review of the effect of the proposed construction, alteration, disposition, or improvement of any nature on the historic property. The proposed construction, alteration, disposition, or improvement of any nature shall not be commenced, or in the event that it has already begun, continue, until the department (DLNR-SHPD) has given its concurrence, or ninety days have elapsed.*

Before starting the building permit process, the owner or the engineer/architect must certify to the above-mentioned section.

## **CERTIFICATION**
